FIENERBA SUPERFIT

FOR THE SPORT HORSE

Superfit is a **high-quality feed** made from a blend of selected legumes. It **has twice the nutritional value** of traditional dehydrated hay due to its **rich protein profile**. It is also high in minerals such as calcium, zinc, copper, and magnesium. It contains tannins, beneficial substances that **promote protein absorption** and have **antioxidant and anti-inflammatory properties.**

Superfit stimulates appetite and saliva production, **optimises the natural balance of intestinal flora**, and **promotes digestion**. **Thanks to its buffering effect, it neutralises gastric acidity and is recommended for horses suffering from gastritis.**

*THE SPORT HORSE requires effective nutrition, optimal breathing, and the maintenance of good psycho-physical balance during performance: **feeding with Superfit meets these needs**.*
It promotes muscle mass development while reducing fat mass and is an essential aid for muscle recovery after intense physical exertion.
Superfit helps keep the horse strong, while also remaining calm and balanced.

In addition to being ideal for sport horses, Superfit is perfect for growing foals, pregnant and/or lactating mares, as well as for underweight or poor-appetite horses.

Superfit guarantees consistent quality and contains **NO** dust, additives, colourants, molasses, or flavour enhancers.

Typical analysis (average values % dry matter):	
Moisture	30-50
Crude Protein	12,00-14,00
Crude Fibre	28,00-31,00
Ash	7,00-9,00
Crude Fat	2,00-3,00
Carbohydrates (WSC)	<10%

Recommended daily dosage

AS MAIN FORAGE:
Administer from 1.5 to 2 kg per 100 kg of the horse's body weight, depending on the type of horse and the work it is subjected to. Introduce gradually into the diet.

AS A SUPPLEMENT: Administer one 5 kg slice as a replacement for one of the meals, preferably in the morning, to make the most of its buffering effect.

COMPOSITION: Selected varieties of Legumes

20kg bag containing 4 slices of 5kg each.
Any swelling of the bag does not affect the quality of the product.

Superfit is:

HIGH PROTEIN CONTENT

COUNTERACTS LACK OF APPETITE

BETTER BREATHING

INCREASED MUSCLE TONE

COUNTERACTS GASTRIC ACIDITY

WITHOUT DUST

IDEAL SUPPLEMENT FOR THE PERFORMANCE HORSE
